# 1. Executive Summary:

## Program Overview

Contract signed between Socio Reform Consultants and Benazir Bhutto Shaheed Human Resource Research & Development Board for Third Party Validation of the results achieved under the training Program of Phase-XIII and XIV Private Sector Training Wing.

1. Validate curriculum achievement by TSPs as per agreed program guidelines.
2. Validate certification of trainees by external bodies.
3. Validate post training employment facilitation by TSPs as per agreed program guidelines.
4. Perform a perception survey on behalf BBSHRRDB

The agreement is signed between SRCON and BBSHRRDB to conduct Third Party Validation of the training program in PSTW Phase XIII and Phase XIV. The basic objective of the validation is to authenticate Internal / external certificates, verification of employment status & ascertainment of level of curriculum, TPV exercise for verification training delivery, TPV exercise for verification of tutors, TPV exercise for verification of Career counselling sessions. The contract is signed for the period of 6 months (six months) and SRCON is committed to complete the entire assignment within the given time frame.

## Objectives:

Benazir Bhutto Shaheed Human Resource Research and Development Board [BBSHRRDB] has been established within folds of Government of Sindh with comprehensive and long-term vision to continue addressing the twin issues of poverty and un-employment. The Board's main division Training Program and Curriculum, Benazir Bhutto Shaheed Youth Development

Program (BBSYDP) is working since 2008-09. This program has trained approx. 470,000 literate, semi-literate and literate youth (18-35 years of age) including almost 205,000 females, in a number of employable trades, out of which almost 47% have received decent employment. This training wing is working through two streams i.e Private Sector Training Wing (PSTW) and Public Sector Training Wing (PS). For trainings under PSTW, the progress is measured in terms of achievement of milestones and fulfillment of contractual obligation by the contracted training providers. The said are validated through a Third-Party Firm. Training under Phase-IX (with 01 training institute having approx. 17 registered trainees (female only), Phase XIII (with 270 institute having 19412 students) and Phase XIV (with 418 institutes having 36903 students)

To achieve the objectives, BBSHRRDB intended to contract with a Firm / Company / Organization for consultancy services- third party validation of BBSYDP training programs to verify smooth implementation of the program as per approved guidelines along with the verification of Internal / external certification,

THIRD PARTY VALIDATION (TPV) OF THE TRAININGS UNDER THE TRAININGS PROGRAMS FOR PHASE XIV AND PHASE XIV BATCH II (PRIVATE SECTOR TRAINING WING) BBSHRRDB

and to facilitate BBSYDP in validation of at least 40% post training employment facilitation by training providers. Furthermore, the TPV exercise for verification of tutors, career counselling sessions and training delivery is also included in the main objectives of the assignment.

The objectives of the third-party validation are: i. Evaluate the output/outcome (Record of decent employment) ii. To validate the curriculum completion and authenticity of Internal / external certification. iii. To assess the effectiveness of the monitoring system / mechanism adopted by BBSHRRDB and to assess the monitoring of training delivery.

These TSPs were selected in several locations / districts of Sindh using the SPPRA procurement guidelines for engagement of consultancy services dated January 2011 and SPPRA rules 2010. Trades were selected by program based on BBSHRRDB Training Need Assessment Document and can be broadly categorized into the following:

### 3.2 Sample Techniques:

1. To ascertain level of curriculum and verification of Internal / external certification will be conducted for the entire population.
2. The verification of the tutor and Career counselling verification and Training delivery verification will be conducted for the entire population.
3. Each student of the Training partner will be contacted for the employment verification to ascertain at least 40% of the students are employed or interned in each trade awarded to the training partner institute. This verification will be conducted Trade wise. Employment implies for:
  - Employment or Internship at the Public / Private Sectors
  - Self-Employment
  - Higher Education on the basis of training certificates.

### 3.3 Field Mobilization Plan:

The firm has already mobilized the staff for the Third Party Validation (TPV) exercise. Initially the staff of 8 personnel's initiated the verification exercises for the verification of curriculum, certificates, employment, tutor, career counselling sessions and training delivery. The personnel already hired for the verification of training delivery and tutors possess vast experience in the field of vocational / technical trainings. The staff will conduct operational activities under the supervision of the project director at their headquarters located in Karachi. The field officers have also been contracted in the areas where a personnel visit for the long duration courses has to be made. Such field officers are qualified and had also worked with the firm previously in the assignments of similar nature.

The decision to mobilize personnel beyond the permanent staff of the TPV exercise will be made by the project director when necessary to achieve TPV operational objectives, or in response to requests from the client / BBSHRRDB. This plan is assumed to be triggered anytime staffing of an incident extends beyond the permanent staff of the firm engaged in

TPV exercise, unless otherwise decided by the project director. The workforce mobilization function is aligned under the responsibilities of the project director. The project director will assign any of this staff, whenever required, to manage this function and who will oversee the implementation of this plan.

#### 3.4 Primary & Secondary Data Collection Tools:

- The curriculum collected from the designated program officers.
- The copy of evidences towards Internal / external certifications will be collected from the institutes. Concerned DMC's may be asked to facilitate if needed.
- The student's data institute wise – trade wise will be collected from BBSHRRDB MIS Section phase wise.
- Progress Monitoring Report (PMR) from BBSHRRDB
- Semi Structured Interview with selected Program officers.
  
- Reviewed of Official Documents
- Reviewed of Curriculum & Training manuals of each training institute.
- 2 filled PMR copies from each program officer to be extracted from BBSHRRDB Management Information System (the access will be provided by BBSHRRDB)
- Contract copies of training partners of Phase IX, Phase XIII and Phase XIV.

#### 3.4 Survey / Visit to Training Institute:

The monitoring and evaluation team of Socio Reform Consultants visited 61 institutes of long duration courses of Phase XIV. During the visit the firm conducted physical verification of those institutes and develop report accordingly. Moreover, the pilot testing of improved PMRs (developed by the firm) conducted during such visit to analyze the effectiveness of the recommended PMR. The survey team trained by the monitoring and evaluation expert in order to collect authentic and reliable data from the field. Such trainings conducted in Karachi that in which the survey team trained on collecting data using innovative and alternative approaches, things to be observed during the visit, the points of discussion during the visit and on compilation of such information. This survey includes the assessment of all the elements of project.

The contracts of each training institute was collected from the program officers of BBSHRRDB. The team to ascertain the level of curriculum reviewed the contracts and analyze whether the

### THIRD PARTY VALIDATION (TPV) OF THE TRAININGS UNDER THE TRAININGS PROGRAMS FOR PHASE XIV AND PHASE XIV BATCH II (PRIVATE SECTOR TRAINING WING) BBSHRRDB

training program has been implemented in accordance with the contract or not within the anticipated time period.

#### 3.5 TPV Exercise to Ascertain level of Curriculum Attainment:

The firm collected the training plan (co-signed by DMCs) from the Institute along with the copy of two PMRs. Furthermore, the trainees contacted randomly to verify the completion of curriculum at the Training partner institute. Such curriculum verified through the PMRs developed by the DMC's during the regular monitoring and evaluation of the respective institute. However, the program officers may be referred for any ambiguity.

The firm verified the level of curriculum attainment from registration of students with the certifying body and through number of candidates passed the course. Wherever necessary, the institute may develop a contact with an institute through the designated program officers for further clarification.

#### 3.6 TPV Exercise for Validation of 40% Employment Status:

The firm collected the data of students from MIS section of BBSHRRDB. The firm adopted the following strategies for such validation:

The firm validated the employment status through calls to all the trainees of the training partner institute among which at least 40% students shall be employed / interned from each institute wise/trade wise.

Upon failure in acquiring the employment status through students from the list provided by BBSHRRDB, the firm acquired updated students data from the Training partner institute in consultation with program officers for such validation.

The institute may also provide the data of employers where they have assisted the students for employment / internship for the validation of employment status through the employer.

The firm optioned alternative ways (in consultation with BBSHRRDB) for the validation of employment status of the students trained under Phase XIII and Phase XIV and 01 institute of Phase IX by the training partners positively. These alternative ways may include:

- 1- Validation of employment / internship certificate from the institute record.

## THIRD PARTY VALIDATION (TPV) OF THE TRAININGS UNDER THE TRAININGS PROGRAMS FOR PHASE XIV AND PHASE XIV BATCH II (PRIVATE SECTOR TRAINING WING) BBSHRDB

- 2- Coordinate with respective DMCs and institute focal person to reach out the person for employment / internship verification.

### 3.7 TPV Exercise for Verification of Tutors:

The firm acquire the detailed profile of the tutor from the TPI of each trade and verify it by contacting the tutor. The tutor verified in respect of course completion, salary disbursement, class attendance and his expertise in the area of teaching. The tutor verification also be conducted by contacting students, selected randomly.

### 3.8 TPV Exercise for Verification of Career Counselling Sessions:

During TPV, the TPI required to provide details of the career counselling session held during the respective trainings. The details are comprising of:

1. Details of the trainers / guest speakers
2. Date, venue and Learning outcomes of the session
3. Pictures of the session showing trainees and the guest speaker / trainer
4. Post session report.

### 3.9 TPV Exercise for Verification of Training Delivery:

The institute provided the detailed training plan to the firm for further verification of the Training delivery according to the plan. The firm only accepted the training delivery plan which shall be co-signed by the concerned DMCs at the day of their visit which also match the PMR Record of the Training Partner Institute. The training delivery also be verified through tutor and trainee participants.

### 3.10 Software Developed:

1. SPSS 16.0

SPSS was used to analyze the quantitative data. This software enables the analyst to create graphs and perform various statistical techniques to derive results.

2. NVIVO

NVIVO was used to analyze the qualitative data. The software enables the analyst to transcribe the interviews and to perform required analysis. The data transcribed in any desired format.

The firm possessed the capacity to operate both the software and the staff were capable of making qualitative and quantitative analysis.
